Superintendent Message **2021-2022**

Welcome to the website for the Urbana City School District.

We are looking forward to this year and all of the new experiences that we will face as we work to provide the best school experience possible for all of our students.

We hope that this site, along with the other communication systems we have implemented, provide you with information about the district and, if needed, how to contact us when you have questions. Programs such as the Remind application, Pre-K Notification system, and our social media account on Twitter are all used to share information with the entire school community.

Thank you for your interest in our district. Please take some time to learn more about our district by using the links provided. Please make use of the available district calendar and plan to join us for some of our many public activities.

Please feel free to contact me if you have any questions or comments about the Urbana City School District. Go Hillclimbers!

Charles Thiel
